CONCEPT

Mother Nature provides everything we need to maintain our skin and bodies. Plants have been used for thousands of years to cure disease, which is why ancient cultures created internal and external medicine based on the plants and earth elements available to them.

Hawaiian culture understands our connectivity to the earth and to the power of the earth's bounty to nourish and sustain us. This understanding is realized in the circle that is created when energy is transferred from the earth to the plant to the hands that harvest it, to the hands that create the products, to healing results on the skin.

Inspired by ancient Polynesian plant knowledge and methods, **OLA Tropical Apothecary** brings you authentic, luxurious and indigenous plant-based skin products that are locally sourced and made by hand at the source using organic and wild crafted ingredients.

Each pure and potent ingredient is carefully selected for its skin healing benefits. See attached list of Ingredient benefits.

OLA Hawaiian Skin Care products take into consideration that our skin needs different things at different times. Using infusions of powerful tropical ingredients, **OLA Hawaiian Skin Care** offers a range of effective skin care solutions to keep the skin young looking, radiant, nourished and clear.

OLA Hawaiian Skin Care is Origin based and can be used by most skin types. It has the ability to be mixed and matched to suit the needs of the skin at different times.

Origin Based

We have created 3 groups based on the origin of the ingredients. There are four origin based product for each group, including: Cleanser, Toner, Mask and Serum. We have 1 Moisturizer, that may be used in conjunction with the OLA Serum of each group.

Additional products to AINA, PUA and KAI Collections:

- Honey Salt Scrub (good for all skin types)
- Papaya Pineapple Enzyme Formula (not for use on sensitive skin)
- Herbal Facial Tea (good for all skin types)
- Island Hair & Scalp Formula (good for all skin types)
- Organic Virgin Coconut oil for facial lomi

HAWAIIAN FACIAL TEA

What is it? Our signature Hawaiian Herbal facial tea blend, combines medicinal Hawaiian herbs, high in antioxidants and specifically formulated to cleanse, calm inflammation, balance, repair and soften the skin naturally.

What is it for? Our unique facial tea is packed with skin healing benefits to augment any facial. Use to soak towels and add heat and additional skin benefits to any step. Use to remove product. Use cold to soothe the skin and provide added moisture to a product.

Key Ingredients:

LEMONGRASS

- Astringent and refreshing. Exfoliates and removes oil. High in Citric Acid and Vitamin C. Stimulates skin and gently exfoliates. Normalizes oil production and helps with blemished skin. The oil is used to prevent wrinkles and to stimulate concentration and focus.

JASMINE

- Is calming and relieves tension - soothes dry and sensitive skin. Jasmine is a skin toner and antiseptic, the aroma relaxes the senses. Good for treating dry, sensitive, and sore skin.

HIBISCUS

- Has skin cleansing, soothing and moisturizing properties. It contains acids that stimulate cell renewal, exfoliate dead skin cells, and improve skin texture. Vitamin C removes free radicals and inhibits the aging of cells and tissues.

SANDALWOOD

- Beneficial for all skin types, sandalwood is calming, balancing, and softening. It relieves itching and irritation; calms and relaxes the senses.

TURMERIC

- Turmeric (Olena) is widely known for its anti-inflammatory, anti-oxidant and anti-microbial properties among others. Also anti-fungal and anti-irritant for sensitive skin.

How to use?

- Place 1 T. of tea in a re-useable tea bag or tea ball and place in 1 gallon of hot water.
- Allow to steep for at least 15-30 minutes.
 - Soak the facial towels
 - Roll and place tea- soaked towels in your towel warmer
 - Test for temperature before placing towel on the skin
 - Use as a steamy mask to start each treatment, use on top of product to magnify product benefits, and
 - use to remove product from the skin
 - Soaked towels can be used hot or cold on the skin.

Contraindications:

None Noted

Retail: None

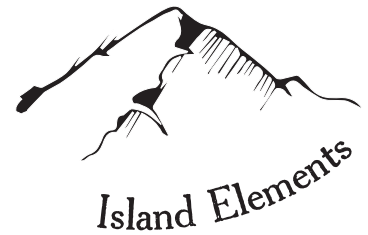

CLEANSERS

All cleansers have the same base ingredients. Each varies by targeted plant extracts.

‘Āina Cleanser

What is it?

Natural Gentle Facial Cleanser for Dry/mature skin

What is it for?

This gentle plant based facial cleanser is formulated for dry and mature skin starting with a base of plant Hydrosols of Māmaki Leaf and Hibiscus Flower, Lemongrass, and bamboo to gently remove impurities, support collagen production, hydrate and brighten the skin.

Key Ingredients:

BANANA EXTRACT

- Anti-aging
- Rich in vitamins and minerals
- Exfoliating and softening.
- Ideal for mature and dry skin.

PASSION FLOWER EXTRACT

- High in Anti-oxidants
- Soothing
- Anti-inflammatory
- Good for sensitive skin and sun damaged skin.

How to use?

Shake well. Place ½ t of product into palm of wet hands, rub palms together to form a gentle lather. Massage into damp skin avoiding eyes and mouth. Remove with tea soaked towel.

Ingredients:

EXFOLIATING FORMULAS

Honey Salt Scrub

What is it?

A gentle cleansing and exfoliating product designed specifically for the face to remove impurities, and condition, mineralize and soften the skin. Good for all skin types.

What is it for?

Gently exfoliating, conditioning, and softening the skin.

Key Ingredients:

HONEY

- Anti-bacterial, anti-microbial. Good for acne treatment and prevention by reducing bacteria on the skin
- Anti-inflammatory, anti-bacterial. Calms redness and irritated skin. Supports cell and tissue regeneration.
- Cleansing and exfoliating
- Conditioning, softening and healing
- High in anti-oxidants. Moisturizing and anti-aging. Creates radiant skin - gives complexion a boost.
- Natural Humectant. Pulls moisture from the air and helps retain in the skin layers where it is needed most for long lasting hydration.

SEA SALT

- Cleansing
- Drawing
- Soothing exfoliant
- Dilates pores allowing skin to absorb trace minerals, encourages skin to secrete its natural oils
- Soothes irritated skin

How to use?

Stir product well before dispensing to ensure ingredients are well blended. Massage 1 T. of scrub gently into skin avoiding eyes. For best results leave on the face for several minutes. Can use heat or steam with this product.

Ingredients:

Organic Hawaiian Honey (Mel Mellis), Organic Virgin Coconut Oil (Cocos Nucifera), Sea Trace (dry concentrated ocean minerals) Natural Sea Salt (Sodium Chloride).

Contraindications:

Honey

Retail: None

EXFOLIATING FORMULAS

Papaya Pineapple Enzyme Formula

What is it?

Exfoliating formula.

What is it for?

This papaya and pineapple treatment is naturally enzyme rich and extremely active! It makes an exceptional treatment for:

- Exfoliating and renewing the skin
- Increasing circulation
- Ideal for treating acne conditions

Contains hydrating and healing Aloe Vera, enzyme rich Sugar Cane, Papaya and Pineapple fruit, antioxidant rich Ma-maki tea and Noni Fruit, conditioning and softening Organic Honey, and healing Papaya Oil.

Key Ingredients:

PAPAYA

- Known to degrease oily complexions
- Cleansing, and antiseptic properties
- Exfoliates, smoothing, softening and healing

PINEAPPLE

- Contains enzymes that help stimulate and cleanse the skin.
- A natural antioxidant high in Vitamin C, rich in enzymes.
- Astringent for oily skin.
- High in Vitamin C to help stimulate and nourish inflamed skin.

ALOE VERA

- Hydrating, moisturizing and soothing
- Contains high levels of vitamins, minerals, enzymes and amino acids to rejuvenate and heal the skin
- Anti-inflammatory
- Increases circulation and oxygen to the skin
- Stimulates cell regeneration

HONEY

- Anti-bacterial, anti-microbial. Good for acne treatment and prevention by reducing bacteria on the skin
- Anti-inflammatory, anti-bacterial. Calms redness and irritated skin. Supports cell and tissue regeneration.
- Cleansing and exfoliating
- Conditioning, softening and healing
- High in anti-oxidants. Moisturizing and anti-aging. Creates radiant skin - gives complexion a boost.
- Natural Humectant. Pulls moisture from the air and helps retain in the skin layers where it is needed most for long lasting hydration.

How to use?

Product is highly active and will cause initial skin irritation as it works. Apply about 1 T. to skin and leave on 3-5 minutes, tingling should subside after a few minutes. If client continues to feel irritation, remove product. To remove: Use Ola Tropical Apothecary Hawaiian Herbal Tea soaked towels.

MASKS

‘Āina Taro Honey Mask

What is it?

Taro is sacred in Hawaiian culture. Considered “The Staff of Life” it is said to nourish both body and soul. Also high in vitamins, amino acids and minerals to nourish and hydrate the skin. Coconut Milk removes impurities, softens and hydrates the skin. Banana is a natural humectant and gentle exfoliant. High in vitamins, potassium, calcium to soften and moisturize the skin. Honey is anti-bacterial and anti-inflammatory and anti-septic to cleanse, tone and balance the skin. Hydrating Aloe Vera and healing Kukui Nut and Vitamin E oils make this mask nourishing and renewing for the skin!

What is it for?

This almost edible mask is deliciously moisturizing and deeply conditioning.

Key Ingredients:

TARO

- High in Vitamins
- High in Enzymes
- High in Minerals
- High in Amino acids

HONEY

- Anti-bacterial and Anti-inflammatory to mitigate acne
- High in Vitamin C to promote the formation of collagen
- Cleansing and Conditioning
- Balances Skin ph

COCONUT MILK

- Gently removes impurities
- Softening
- Moisturizing

How to use?

Begin by hydrating the skin first with warm water. Place 1 tsp on your fingertips and spread on the skin, avoiding the eyes and mouth. Leave on for 10-15 minutes. To remove: use tea soaked warm towels, making sure to remove everything.

Ingredients:

Organic Hawaiian Honey, Coconut Milk Powder (Cocos Nucifera), Granulated Colocasciaesculenta (Taro) Powder, Alcohol extracts of Plantain (Plantago major) Fruit, Potassium Sorbate, Organic Virgin Coconut Oil (Cocos Nucifera), Phenoxyethanol, Sorbic Acid, Caprylyl Glycol, Kukui Nut Oil (Aleurites Moluccana), Mixed Tocopherols (Vitamin E), Banana (Musa Sapientum) Flavor, Coconut (Cocos Nucifera) Flavor.

Contraindications:

Honey, Nut oils

ISLAND HAIR & SCALP FORMULA

What is it?

Intensive moisturizing and conditioning formula for hair and scalp

What is it for?

- Intensive replenishing Hair formula
- Transforms and Conditions Hair and Scalp
- Excellent treatment for dandruff
- Ideal anecdote for chemically treated hair
- Replenishing treatment for the scalp of radiation and chemotherapy patients

Key Ingredients:

ORGANIC VIRGIN COCOUT OIL

- Coconut oil is easily absorbable as it has a small molecular structure and thus helps to moisturize the skin
- Penetrates into the deeper layers of the skin and hair follicle and strengthens the underlying tissues
- Coconut oil has been proven to maintain hair protein in hair

AVOCADO OIL

- A Therapeutic oil rich in vitamins A, B1, B2, B5 (Panthothenic acid), Vitamin D, E, minerals, protein, lecithin and fatty acids.
- Excellent for dry and aging skin.
- It is a lush, rich oil and one of the most moisturizing; especially perfect for older skin.
- Avocado Oil exhibits excellent penetrating qualities.
- Supports Skin Regeneration
- Good For eczema

MACADAMIA NUT OIL

- High in monounsaturated fatty acids and closely resembles oil naturally produced by the skin
- Protective
- Highly absorbent
- Supports Skin Regeneration
- High in Vitamin B, Fatty Acids and anti-oxidants

KUKUI NUT OIL

- Easily absorbed by the skin and is beneficial for all skin types
- Great for dry skin, eczema, psoriasis, sunburn and acne
- High in Vitamins A, C and E - all anti-oxidants that help create and protect healthy skin
- Adds luster and shine to sun-damaged hair. It can detangle, calm and seal the hair for maximum sheen

How to use?

For best results spray the hair with water prior to applying the formula to moisten the hair. Use ½- 1 oz of the formula per treatment. Heat the oil prior to use if possible. Drizzle a small amount on crown/ hair line and work back into the hair and scalp, massaging the scalp and hair follicle. Massage most of the product into the ends of the hair and pull through the rest of the hair for even saturation. For best results leave in as long as possible. Wash out with Ola shampoo. Repeat if necessary. Do not use conditioner.
